In my professional life
and in my private life...

I am a careful,
socially-responsible driver

I PREPARE MY TRIPS

- Is my trip essential? Is a teleconference possible?
- Can I share a car or use public transport?
- I identify my itinerary, drive an appropriate vehicle allow myself the necessary time.
- I locate the charging stations along my route if I use an electric vehicle.
- I check the condition of my vehicle, in particular its tyres.
- I secure any luggage and parcels in the boot and free up the parcel shelf.
- I check that the child restraint systems I use are suitable.
- I find a comfortable driving position.
- I don't use a scooter or motorbike for my business trips.

I SCRUPULOUSLY APPLY GOOD DRIVING RULES

- I fasten my seat belt and check that all my passengers have fastened theirs at all times.
- I adapt my speed to the environment, comply with speed limits, and keep the required safety distances.
- I abide by the laws on alcohol and drug consumption as well as any restrictions on driving related to my health.
- I am aware of the ban on using a mobile phone or any other method of communication which may distract me while driving.

I AM A RESPONSIBLE DRIVER

- I take a break every two hours.
- I am always calm and courteous.
- I help people in difficulty in the event of a breakdown or accident, whatever the vehicle I am driving, I drive in a way that respects other people.
- I understand the rules of eco-driving and apply them.
- I assume full responsibility if I commit a driving offence.

GRUPE RENAULT DRIVING SAFE DRIVING

Groupe Renault undertakes to:

Train all employees and raise their awareness in respect of road safety and eco-mobility in all the countries in which the Group operates.

Communicate with employees in order to ensure that they comply with traffic legislation at all times during their trips.

Involve managers in the implementation of road risk prevention measures.

GRUPE RENAULT CO-OPERATES WITH THE PUBLIC AUTHORITIES AND STAKEHOLDERS TO CONTRIBUTE TO ROAD SAFETY RESEARCH

GRUPE RENAULT SETTING NEW STANDARDS IN SAFETY

Groupe Renault, a responsible employer that values employee safety.

Groupe Renault, a manufacturer that is close to people:

- a sustainable mobility pioneer,
- offers its customers a safe and economical range of vehicles,
- implements programmes that have raised the awareness of over 14 million children since 2000,
- supports the UN in the Decade of Action for Road Safety, the aim of which is to halve the number of road accident victims by 2020.

RAISE AWARENESS
